

CURRICULUM VITAE

Michael Hoel

Education:

Candidate of Economics, University of Oslo, June 1972

Lic. Philos., University of Oslo, June 1975

Dr. Philos., University of Oslo, June 1978

Current professional positions:

- Professor emeritus of Economics, Department of Economics, University of Oslo (since 2017).
- Scientific Advisor of the *Frisch Centre of Economic Research* (<http://www.frisch.uio.no>)
- Associate researcher at *Vista Analyse*
- Fellow at *The Beijer Institute of Ecological Economics*
- Fellow at *CESifo*
- Fellow at *EAERE*

Previous positions and visits:

- Professor of Economics, Department of Economics, University of Oslo (1981-2017).
- Area Director of Energy and Climate Economics at *CESifo* (2009-2019)
- Editor (joint with Charles Kolstad) of *Resource and Energy Economics*. 2002-2005.
- Leader of a research group in Environmental Economics at the Centre for Advanced Study at the Norwegian Academy of Science and Letters, August 2005 to June 2006.
- Visiting Researcher at the University of California, Santa Barbara (Dept. of Economics) fall 1999 and fall 2001.
- Visiting Researcher at the University of California, Berkeley (Dept. of Agricultural and Resource Economics) fall 1995 and fall 1996.
- Senior Researcher at CICERO (Center for International Climate and Energy Research, Oslo) from August 1991 to December 1992.
- Consultant at OECD, June to August 1988.
- Special Consultant at Norges Bank (The Central Bank of Norway), August 1984 to July 1985.
- Special Consultant at The Ministry of Finance in Norway, January to September 1978.
- Visiting Associate Professor at Department of Economics, University of California, San Diego, January to July 1982.
- Visiting Scholar at Department of Economics, M.I.T., July 1976 to May 1977.
- Assistant and Associate Professor at the University of Oslo (1972-1980).

Prizes and rewards:

- The Søren Wibe Prize 2016 for “a paper that presents considerable development in empirical knowledge or methodology in the field of forest economics and is published in the *Journal of Forest Economics* during the two preceding years”. (For “Faustmann and the climate” with coauthors Bjart Holtsmark and Katinka Holtsmark, published in 2014).
- The *SJE* Prize for the best article published in 2011 in *The Scandinavian Journal of Economics*. (For “The Supply Side of CO₂ with Country Heterogeneity”, published in the 2011 Special Issue, Climate Change and Distribution.)
- EAERE European Lifetime Achievement Award in Environmental Economics, 2011 (from the European Association of Environmental and Resource Economists).
- Honorary Doctor at the Carl von Ossietzky University of Oldenburg, 2009.
- The Eric Kempe Award in Environmental and Resource Economics, 2000 (from the European Association of Environmental and Resource Economics).
- The Research Prize of the University of Oslo, 1997.
- The 1996 Award for Outstanding Contributions to the Profession of Energy Economics and to its Literature (from the International Association for Energy Economics).

Current research interests:

Environmental economics
Energy and climate economics

Publications since 2011 (full list [here](#))

- Hagem, Cathrine, Hoel, Michael and Sterner, Thomas (2020), " Refunding Emission Payments: Output-Based Versus Expenditure-Based Refunding", *Environmental and Resource Economics* 77: 641–667
