

From the Airport to the Hotel:

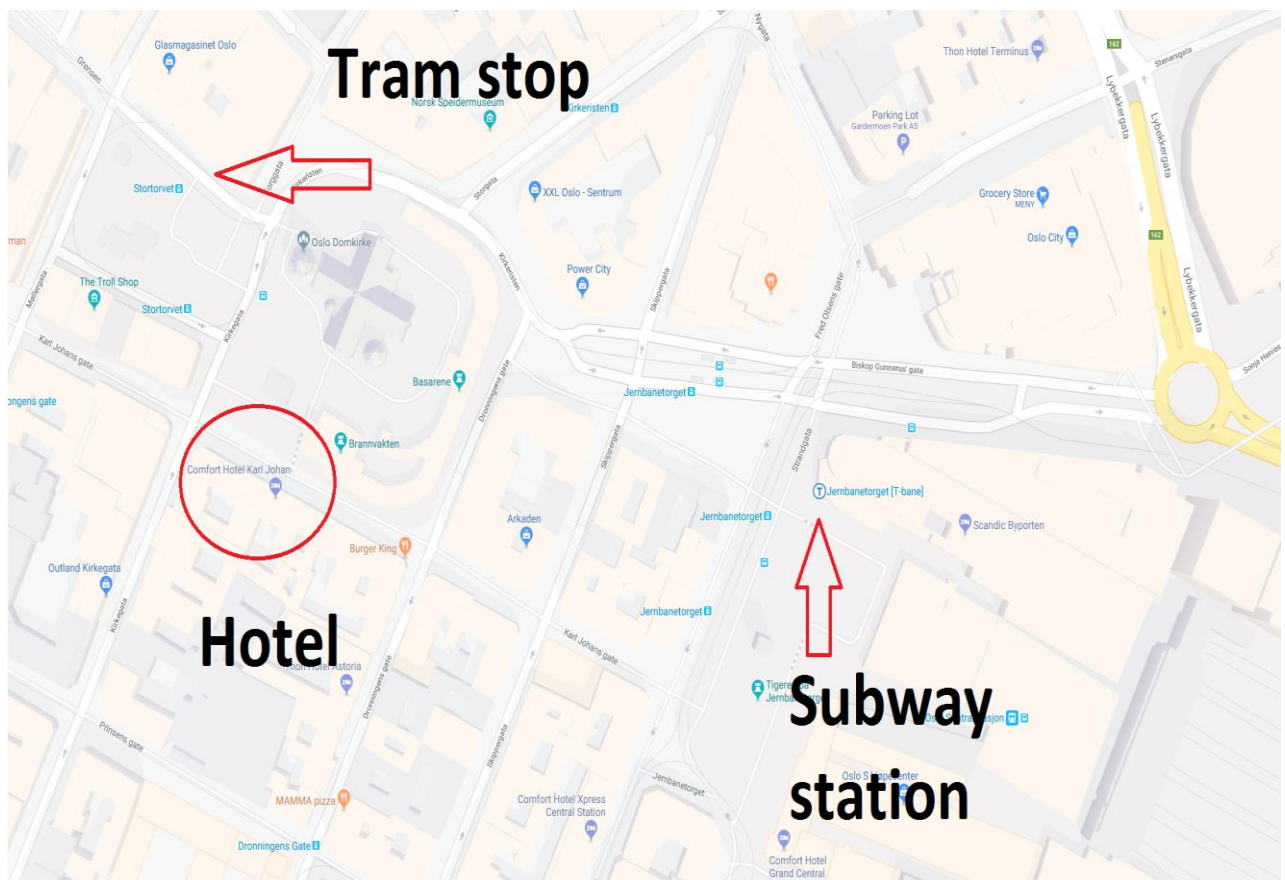

After you have gotten your baggage at the airport, go out into the main hall. The Airport Express train is at the end of the hall to your right. It leaves every 10 to 20 minutes between 5:30 am and 1:00 am, and it takes about 20 minutes to get to Oslo Central Station (Jernbanetorget). From there, go to the exit marked “Exit West“. Once you are outside, walk down the stairs on left-hand side, turn right and walk across the street. Continue up Karl Johans gate, and the hotel will be on the third block to your left.

To the University

There are two quick and easy ways to get to the university. Firstly, you can take the subway from Oslo Central Station, close to the train station, either line 4 or 5 westbound to “Forskningsparken”, five stops from where you board. From there it is only a short walk to Eilert Sundts Hus. If you are going directly to the university from the Airport Express, this will be the easiest route.

Alternatively, you can take the tram to the university. The tram stop is even closer to the hotel. Just walk left when you exit the hotel, then take the first turn right. When you are in front of the cathedral, walk left again, cross the road and you will find the tram stop “Stortorvet” just up the road. Take either number 17 or 18 (not 11), direction “Rikshospitalet”, and go off at “Universitetet Blindern”, eleven stops ahead.
