**Directions**

The workshop will be held on the 10th floor of “Eilert Sundts hus” at Blindern campus, room 1047. General directions for getting to campus can be found [here](#). If you are coming from the airport, taking the airport express train to “Nationaltheatret” is recommended. From there, you can take the subway (“T-bane”) lines 3, 4, 6 westbound to “Forskningsparken”.

Once you are there, see **map below**. Take the elevator to the 10th floor. Room 1047 is located in the northern corner of the building.
