### **Salg av pensum**

Pensumbøker kan kjøpes på Akademika.

### **@ - artikler**

Pensumbidrag merket med @ finnes tilgjengelig i Bibsys e-tidsskrifts databaser.

For å få tilgang til artiklene som er tilgjengelig på internett er det nødvendig å bruke en datamaskin i UiO's nettverk. Dette fordi Universitetsbiblioteket har betalt for abonnement for sine studenter og ansatte, og denne tilgangen kontrolleres gjennom maskinens IP-adresse. Dersom man ønsker å laste ned tekstene fra sin maskin hjemme, må man være koblet opp til UiO's nettverk via VPN-klient.

I noen databaser for e-tidsskrifter er det ikke mulig å lenke direkte til pdf-filen. I disse tilfeller er det lenket til innholdsfortegnelsen eller til tidsskriftet hvor man så kan finne riktig artikkel og laste ned den aktuelle teksten.

Tilgjengeliggjøring via internett er en fordel da det gir tilgang til deler av pensum på et tidligere tidspunkt enn ved trykking av kompendier, samt at studenter kan velge å lese på skjerm. Ved utskrift betaler studenter for dette utover utskriftskvoten, men dette er også rimeligere pr side enn kjøp av kompendier pr trykt side.
